## **DETAILED ACTION**

### ***Response to Amendment***

1. The amendment received 04-19-2007 has been entered. Claims 11-17, 19-22, 34, 35, 37-40, 42-46, and 49 are pending.

### ***Claim Objections***

2. Claims 37 and 42 are objected to because of the following informalities:

claim 37, line 11, change "permanently" to --permanent--; and

claim 42, line 2, change "string" to --storing--.

Appropriate correction is required.

### ***Claim Rejections - 35 USC § 112***

3. Claims 20, 21, and 42-46 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.
4. Claim 20 is rejected under 35 U.S.C. 112, second paragraph, as being incomplete for omitting essential elements, such omission amounting to a gap between the elements. See MPEP § 2172.01. It is unclear how the plurality of permanently sealable vents structurally cooperate with the box-urn. The lid, which includes the permanently sealable vents, must be claimed.
5. Likewise, claim 42 is rejected under 35 U.S.C. 112, second paragraph, as being incomplete for omitting essential elements, such omission amounting to a gap between the elements. See MPEP § 2172:01. It is unclear how the plurality of permanently sealable vents and the plurality of mortise and tenon joints structurally cooperate with the box-urn. In order to properly claim the vents and the mortise and tenon joints, the box portion of the box-urn (which

Art Unit: 3677

includes the mortise and tenon joints) and the lid portion of the box-urn (which includes the vents) must be claimed.

***Allowable Subject Matter***

6. Claims 11-17, 19, 22, 34, 35, 37-40, and 49 are allowed.
7. Claims 20 and 42 would be allowable if rewritten or amended to overcome the rejection(s) under 35 U.S.C. 112, 2nd paragraph, set forth in this Office action.
8. Claims 21 and 43-46 would be allowable if rewritten to overcome the rejection(s) under 35 U.S.C. 112, 2nd paragraph, set forth in this Office action and to include all of the limitations of the base claim and any intervening claims.

***Response to Arguments***

9. No specific arguments were presented.

***Conclusion***

10. The instant Office action has been made non-final due to the examiner's inadvertent omission in the prior Office action of the 35 U.S.C. 112, second paragraph, rejection of claim 42 presented above.
11. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure. See PTO-892.
12. Any inquiry concerning this communication or earlier communications from the examiner should be directed to William L. Miller whose telephone number is (571) 272-7068. The examiner can normally be reached on Monday-Thursday.
